Tracking active heroes [Retired heroes side]

1 Retired hero, Shopkeeper
Is this how it's used now?

2 Retired hero, Magician (Miyu Mi)
That's what you're worried about?

3 Retired hero, Pilot (Cecilia Gallo)
lol What are you doing?

4 Retired hero, Scholar
I don't think that's
the problem here

5 Retired hero, Company Employee
lol Seriously, what are you doing?

6 Retired hero, Student
Tracking!
While you're at it, Shopkeeper,
add [g5snake] to the end of your name!

9 Refined hero Student

Woahh!
Snake!

10 Refined hero Scholar

Ah... I see, snake is it?
I get it.

13 Retired hero: Pilot
Huh... The Earth series worlds
and their weird culture...

14 Retired hero: Company Employee
Well, just go along with it.

LB Retired hero: Shopkeeper (@Snake)

Now's not the time
Damn that bastard, don't get any closer!
Keep at least 2m away!
Scholar, you do this!

LB Retired hero: Company Employee:
lol

In the 20-30 years it takes for them to form, monsters become more common. Heroes set out every time, fighting monsters along the way, to destroy the magic orb.

In the Duchy of Zedel, heroes don't fight demon lords. Throughout the world, gems containing magic appear, they're called "magic ore".

21 Retired hero: Scholar

Is that enough, Shopkeeper?

22 Retired hero: Shopkeeper (Snake)

Tch, I can't see clearly from here!

23 Retired hero: Pilot

lol What are you doing, Shopkeeper?

24 Retired hero: Student

He's Snake after all.

25 Retired hero: Company Employee

Snake's busy lol

26 Retired hero: Magician

Sorry, but could you continue, Scholar?

heroes
are quite
common
in the
Duchy of
Zibel

As
such,

Hahah...
Of
course.

As for how they're chosen,
there's the 5 noble families that
possess a hero's blood

Someone from those families will take
a treasured sword that can destroy the
magic one, and set off on a journey.

He is an
aristocrat?

An
aristocrat?

For
real?

So
then
Shop-
keeper-

Huh?

36 Retired hero: Scholar

Well, I imagine it took quite the effort to go from an aristocrat to some restaurant owner.

37 Retired hero: Student

And so?

Why are you doing this, Snake?

38 Retired hero: Shopkeeper (@Snake)

Hold on!

Surrounded by monsters!

The
thrill of
being
Snake!

42. Retired hero, Shopkeeper (@Snake)
Not me! The party of heroes!

What are
you...

45. Retired hero, Shopkeeper (@Snake)
Secret technique!
Quietly eliminating the enemies in ambush!

46. Retired hero, Magician
lol

47. Retired hero, Company Employee
How can I put it?
That's cheap

48. Retired hero, Pilot
Oh it's cheap alright
But I suppose it'll help the heroes.

6th Retired hero: Student
By the way, Shopkeeper,
as Snake you need to report
what the target is doing.

Like
this?

Hmm...

5. Retired hero: Shopkeeper @Snake

The party of heroes has finished fighting.
They're leaving the area that now reeks of blood.
Continuing to follow.

That's
perfect!

Ah,

3. Retired hero: Shopkeeper @Snake

Currently moving through the forest,
I'm continuing to follow them in stealth.

so what
was it?

I'll answer
questions
without
letting my
eyes off
that party.

Huh,
what
was
that?

Why are
you
following
them?

Hey, you
still haven't
finished
explaining!

57. Retired hero, Student

lol

58. Retired hero, Company Employee

lol

59. Retired hero, Pilot

The reason you're following the heroes?

50. Retired hero, Shopkeeper (25 nuke)

Ah, that

Well, let me introduce the heroes first.

Swordman
A quiet
and serious
guy

20 years
old, son of
the first
family

A gaudy
guy that
imitates
me

Sword-
man, 17
years old,
son of the
third
family

A young
lady with a
soothing
smile.

Sword-
woman, 10
years old,
daughter of
the fourth
family

An
absolutely
adorable
angel

Sword-
woman, 18
years old, the
hero chosen
by the
treasured
sword

ES: Refined hero: Pilot

That's completely unbalanced!

ES: Refined hero: Company Employee

Why isn't there a healer?

But everyone here can use chi, from children to adults, though everyone's power and specialty differs.

Q

Chi? Is that like magic?

no image

Because of it's association with the enemies and ones, no one calls it magic.

Healer? What is that? Does it taste good?

We rely on our own regenerative powers here

Ah, I see.

After what Shopkeeper said, it makes sense

no image

Q

Yeah.

But looking at the members

I got it now

I don't
want to
send her
out to
fight.

As the
hero who
went on
the quest,
I know
what it's
like.

I didn't
want
anything
to do with
the free
families.

But after
I left my
home,

TO Retired hero: Shopkeeper (@Snake)

And yet...

This saddens Daddy so much...

Uh... How should I...

It's not like I don't get it...

Monsters spotted!
Stealth Shopkeeper
will move in to
provide support!

Good luck!

You're
overprotective

You're
following your
daughter
because you're
worried about
her becoming a
hero?

So let me
get this
straight.

35 Retired hero: Scholar

She is his daughter after all, it's only
natural he'll be worried.

Secret technique!
Stealthily dwindle the enemy archer
numbers!
Cancel chi! Stealth fire arrow dance!

Secret technique!
Search for more enemies lying in
ambush!
Cancel chi! Clairvoyance!

Discovered magic
enemies!
Cancel chi! Haste!

Arggh!
Jeez!

101. Retired hero. Pilot.

Shopkeeper!

Aren't you ashamed?!

Your daughter is a H-E-R-O!

If anything, she'd be ashamed to be protected by you!

Well, I'm worried, what can I do?

If I'm worried about my daughter, there's no such thing as shame!

103. Hero. Hero(Duchy of Zibed)

I feel ashamed.

Huh?

No image

Ah...

Oh...

Wha-!

LOL Hero: Hero

Dad

Go home

before I
tell mom.

All I
feel is embarrasse-
ment!

I didn't
ask for your help!

See?!

I told you to knock it off with the
overprotection!

Yeah, that...

Ugh.
Shoplunger.

What was it...
Right, that...

Indeed.

Daddy is
sad...
